

B-Car Sharing Privacy Policy

LAST UPDATED: 19/12/2016

This privacy policy governs your use of the software application **B-Car Sharing** for mobile devices that was created by **Targa Telematics Srl**. The Application is developed for providing carsharing services to companies.

These rights are provided by Art. 13 of the Italian Legislative Decree 196/2003 and EU Data Protection Directive (95/46/EC).

If you reside outside EU your information will be transferred, processed and stored under EU privacy standards

User Provided Information

The Application obtains the information you provide when you download and register the Application. Registration with us is optional. However, please keep in mind that you may not be able to use some of the features offered by the Application unless you register with us.

When you register with us and use the Application, you generally provide

- (a) Your name, email address, age, driving license, password and other registration information;
- (b) Transaction-related information, such as when you make purchases, respond to any offers, or download or use applications from us;
- (c) Information you provide us when you contact us for help;
- (d) information you enter into our system when using the Application, such as contact information and project management information.

We may also use the information you provided us to contact your from time to time to provide you with important information and required notices.

Automatically Collected Information

In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application.

Real time location service

When you use the mobile application, we may use GPS technology (or other similar technology) to determine your current location in order to determine the city you are located within and display a location map with relevant advertisements. And to provide the carsharing service described in the top of this policy. We will not share your current location with user that don't have adequate permissions provided by the company.

If you do not want us to use your location for the purposes set forth above, you should turn off the location services for the mobile application located in your account settings or in your mobile phone settings and/or within the mobile application.

Third Parts Access Permissions

We will share your information with third parties only in the ways that are described in this privacy statement.

What are my opt-out rights?

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network. You can also request to opt-out via email, at info@targatelematics.com.

Data Retention Policy, Managing Your Information

We will retain User Provided data for as long as you use the Application and for a reasonable time thereafter. We will retain Automatically Collected information for up to 24 months and thereafter may store it in aggregate. If you'd like us to delete User Provided Data that you have provided via the Application, please contact us at info@targatelematics.com and we will respond in a reasonable time.

Please note that some or all of the User Provided Data may be required in order for the Application to function properly.

Children

We do not use the Application to knowingly solicit data from or market to children under the age of 18 because the app need the driving license data in order to be used. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at info@targatelematics.com. We will delete such information from our files within a reasonable time.

Security

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that

information in order to operate, develop or improve our Application. Please be aware that, although we endeavor provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

Policy Updates

Our Privacy Policy may change at any time for any reason, without prior notifications. We encourage You to periodically review it to ensure familiarity with the most current version of this Privacy Policy. You can determine when this Privacy Policy was last revised by referring to the Last Updated label at the top of this policy

Your Consent

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information, all of which activities will take.

Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at info@targatelematics.com.
